

EVENT FINDER

Abhiram Kasu, Alex Schwab, Joshua Shih, Robbie Boccard

Event Finder

Goals

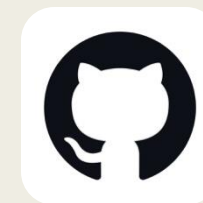

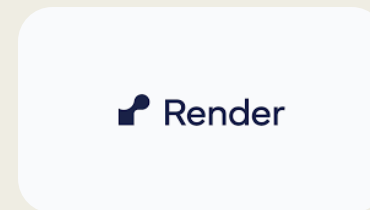

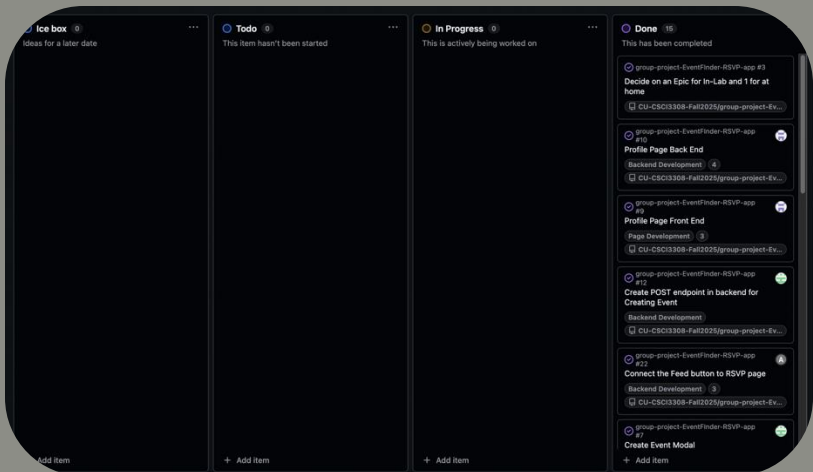

- Simplify process for users to find and RSVP to events near them
- Allow users to create events for other users to RSVP to

Description

- Displays events from both TicketMaster and local database
- RSVP to events
- Users can create their own custom events

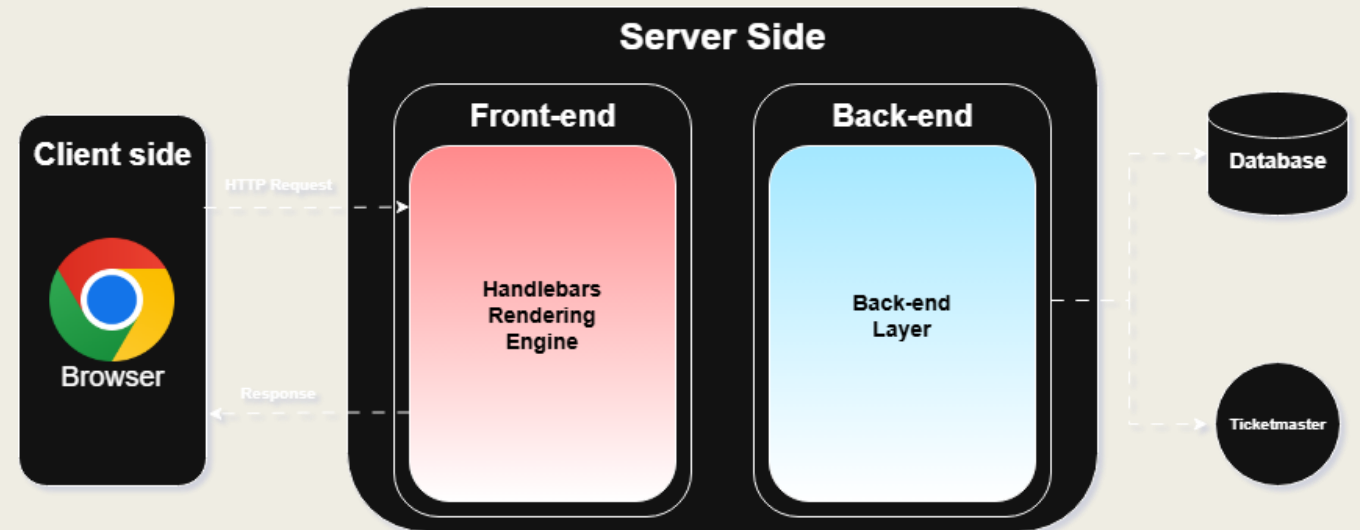

Tools Used

- TicketMaster - 5
- HTML/CSS - 5
- JS - 5
- Handlebars - 4
- NodeJS - 4
- Express - 5
- Agile - 4
- Postgres - 5
- Github - 5
- Visual Studio Code - 5
- Chai - 3
- Render - 5
- Slack - 5

Architecture

- Database – Postgres
- Hosting Service – Render
- Library – Express
- Templating Library – Handlebars
- API – Ticketmaster
- Site is Run on NodeJS

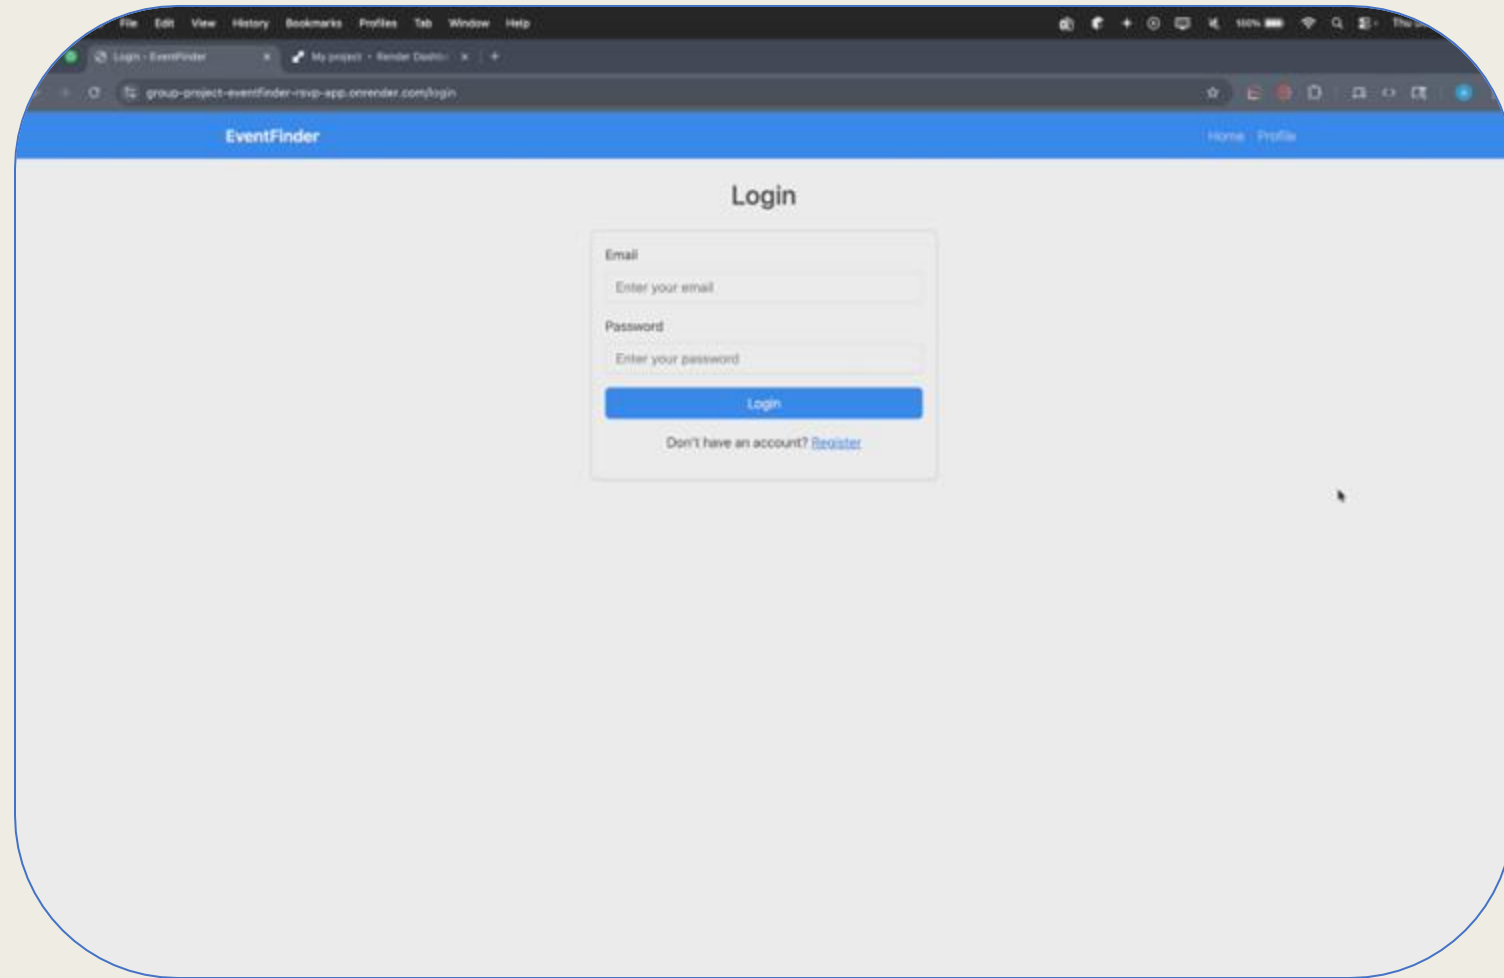

Challenges

- HTML->Handlebars
 - Issues compiling and running with just HTML, switched to handlebars
- Coordination
 - Getting pages to speak to each other, worked collaboratively
- Consistency
 - Keeping styles the same across pages, deciding on styles
- Scheduling
 - Keeping constant with commits, scheduling team meeting

Future Scope

- Saving/Favoriting events the user finds interesting without RSVPing
- Notification system about new events and booked events by the user
- Personalized feed with events based on RSVP history
- Event map so users can find events near their location
- Reviews/Rating system
- Social features: Add friends, see what events they are signing up for, group RSVPs
- Integration into calendar

Demo

The screenshot shows a web browser window with the address bar displaying "group-project-eventfinder-rsvp-app.onrender.com/login". The browser's tab bar shows two tabs: "Login - EventFinder" and "My project - Render Dash...". The page has a blue header with the "EventFinder" logo on the left and "Home" and "Profile" links on the right. The main content area is light blue and features a "Login" heading. Below the heading is a white login form with two input fields: "Email" with the placeholder text "Enter your email" and "Password" with the placeholder text "Enter your password". A blue "Login" button is positioned below the password field. At the bottom of the form, there is a link that reads "Don't have an account? [Register](#)".

Q & A
